Dear Calvin,

I want to thank you for applying your expertise in charitable giving strategies to our financial-advisory company. The charitable giving planning process you designed for us has enabled us to extend our existing product line. We believe it will greatly enhance the philanthropy service we provide to clients.

Your efforts will make it possible for us to add more value for our clients, and as a result, value to our firm. Thank you for your assistance in this project, and the professionalism that was evident throughout the process.

Warm Regards,
